M

PREFACE.

WITH the design of maintaining the utility and efficiency of **LOVELL'S MONTREAL DIRECTORY**, and of adapting its size and bulk to the convenience of those consulting it, the Publishers have decided to continue the printing of the Alphabetical portion in a small but clear type, giving greater prominence than hitherto, by the use of a bold Gothic letter, to the names of Advertisers.

In presenting to the public this issue of the Directory the publishers trust that the feature above referred to will meet with general approval, as it enables them more satisfactorily to adapt the book to the demands of our ever-increasing population.

It need hardly be said that the same labor and effort to secure accuracy which the Publishers have always put forth have not been withheld in the preparation of the present edition, and that this labor has been greatly increased this year, owing to the renumbering of several of our principal streets, and the addition of **ST. JEAN BAPTISTE VILLAGE** to the Street and the Alphabetical Directories.

As usual, the book will be found divided into four parts, viz.: (1) The Advertiser's Classified Directory; (2) The Street Directory; (3) The Alphabetical Directory; and (4) The Miscellaneous Information.

This book is respectfully dedicated to its generous patrons — THE PUBLIC.

MONTREAL, June 21, 1886.

Entered according to Act of Parliament of Canada, for the year one thousand eight hundred and eighty-six, by JOHN LOVELL & SON, in the office of the Minister of Agriculture.

(From the Stuttgart Conservatoire, where he studied under the late Dr. Sig. Lebert, Prof. Dionys Pruckner, and from Vienna, where he completed his studies under the late Prof. A. Pacher and Simon Sechter,

ASSISTANT PRINCIPAL:—MAX BOHRER, (pupil of Prof. William Bohrer).

PROSPECTUS.

The Montreal Music School has been established to enable Students to obtain a thorough Musical Education, under competent Professors; at the lowest possible terms.

The Scholastic year consists of Four Terms; Nine Weeks constitute a Term.

The Course of Instruction comprises the following branches, from which the Student may select:

Piano, Voice Culture, Organ and Harmonium, Violin, Violoncello, Flute, Rudiments of Music, Harmony, Thorough Bass, Counterpoint & Composition, Elocution, Italian & German Languages.

The Piano, Organ, Harmonium, Violin, Violoncello, Flute, and Solo Singing are not taught in Classes, but individually, each Student receiving one half-hour's instruction, twice a week.

Students joining the school are examined by the Principal as to their musical capabilities, and the result of the examination will decide into which Section the Student is to enter.

The study of the Pianoforte is divided into five Sections. In the first Section the Student is taught the notes, the formation of tone and easy preparatory exercises; in the three succeeding Sections the studies continue in progressive order until the fifth Section is reached, where the most difficult technique is studied, and the highest literature pursued.

The first and second Sections, being Elementary, require each one or more year's study, according to the age and talent of the Student; the remaining sections embrace a period of four years. All studies and pieces for the different Pianoforte Sections, as well as those for the Singing-classes, are selected by the Principal.

Students before entering a higher Section have to pass another examination for that purpose.

The Pianoforte is taught according to the system followed by the Royal and Imperial Conservatoires of Stuttgart and Vienna; the formation of tone being made an especial feature in the Elementary Sections.

Students may begin at any time. Payment commencing from date of entrance.

Lessons missed are charged, except in case of protracted illness.

Only Classical and Modern Standard Compositions are used in the School.

Special instruction in the Art of Teaching is given by the Principal to those who intend to follow that profession.

Every competent Student will, on application, receive from the Principal a certificate as to his ability in teaching.
